

Fairhaven CoPack offers specialised contract packing, filling and distribution services including the fast-growing organic sector.

Efficiency and quality is paramount across our integrated service facilities, located on the NSW Central Coast. We perform to a high level of accuracy and workmanship: The integrity of your product is our highest concern.

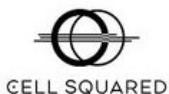

Our accreditations:

- HACCP
- Australian Certified Organic
- Australian National Standard for Organic and Biodynamic Produce

Our capabilities:

- Filling of liquids, e.g. olive oil, lotions, beverages, essential oils.
- Dry filling, e.g. herbs & spices, spice blends, cake mixes, tea blends, salts, powders and granules.
- Blending, packing, labelling, batch coding and shrink wrapping.
- Palletising, pallet storage, and warehousing.
- 3PL (Pick, Pack, Post).
- Packing hampers and sample bags.
- Arranging distribution and delivery.

Some of our current contracts include:

WE FILL!

Our purpose built clean room facilities are equipped to the highest international standards and certified to fill and pack any product – if it's organic, we can also fill it!

WE PACK!

We offer a flexible fill and pack service that is capable of utilising both manual and automated functions. Equipment includes; blenders, vibratory weighing and auger fillers, induction sealers, shrink wrappers, weighing and sealing hardware.

WE DELIVER!

Conveniently located in close proximity to main arterial road links to Sydney, Melbourne and Brisbane, plus major air and sea ports; our dedicated packing, warehousing and distribution centre provides an ideal environment to ensure secure, efficient storage and freight of your product.

Fairhaven CoPack is committed to delivering the best possible solutions for your needs.
