

WHAT HAPPENS AFTER SCHOOL?

It's a question filled with uncertainty. But, you don't need to have it all figured out right away – ask anyone at this company.

At **Fairhaven**, we believe that young adulthood is a journey; an opportunity to explore, discover and pursue what you enjoy. That's why we've created **Choose Your Pathway** for school leavers; to build confidence in life as well as work.

Fairhaven owns a number of social enterprises. That means when you do work experience with us, you're receiving consistent quality learning in a real work environment. Don't like one pathway? Have the flexibility to choose another. We offer a range of experience areas, including:

WHO WE ARE

We are **Fairhaven**. We began as a school back in 1962, right here on the Coast. Our founders were parents who wanted specialised education for their children with learning disabilities. When there were no options near them, they did what all Coasties do: they took initiative. They made their own school, whose original classroom still stands today on our admin site in Point Clare.

While no longer a school, our dedication to youth remains. The best support doesn't offer a blanket solution because it doesn't deal in bedding. It deals in people. Incredible individuals, each with their own goals, skills and story. **Choose Your Pathway** is and will always be you focused.

Supporting Every Hero's Journey

YOUR VERY OWN HERO'S JOURNEY:

1.

DISCOVER

This is your journey. We want to hear your goals, what you care about, and what you'd like to explore and develop during your time with us.

2.

PLAN

Next, you'll receive your **Superhero Passport**. Here's where you'll lay out everything you want to achieve, and where you'll record these achievements.

Your Superhero Passport contains something else important: your very own **Independence Gauntlet**. To complete your Gauntlet, you'll need to collect **Independence Stones**. You receive an Independence Stone each time you achieve one of your big goals. You'll watch your Gauntlet grow as you do!

3.

EXPERIENCE

Here's where you'll get hands-on experience across a variety of industries, discovering which ones you like most. Whether you want to specialise, develop general work skills, or perhaps just build important adult-skills, this section has something for every **Hero's Journey**.

5.

A NEW CHAPTER BEGINS

From here, there are many options available to you. You may want to jump straight into employment (which, depending on vacancy, could be with us!), continue with further study, or join our **youth group**.

4.

CELEBRATE

After all of your hard work, you'll place the final **Independence Stone** in the **Gauntlet**. Your pages will be filled with all of your learnings and adventures, and you'll be ready for the next exciting chapter...

THE ADVENTURE STARTS HERE
